

# Inland Psychiatry and Psychology

906 W. 2nd Avenue, 6th Floor

Spokane, WA 99201

Phone (509) 458-5889 Fax (509) 624-1216

## Parking

There are four free parking spots up against our building that say "IPP". If all four spots are filled then you must pay for parking. Unfortunately, Inland Psychiatry and Psychology is not able to validate for this. There is metered parking on the streets surrounding us as well as numerous independent pay parking lots. **Please come early to find a spot.**

## When coming from the North

Head south on Division St. towards Sacred Heart Hospital.

Division St. will curve around the Convention Center and become Browne St. Continue South until you come to 2nd Avenue. Turn Right onto 2nd Avenue. Head West until you come to Lincoln Avenue. We are on the right side just west of the intersection. Look for the sign that says Freeman Center.

## When coming from the Valley/East

Take the Lincoln St. exit (Exit 280B). Stay left and go through the first intersection. Go one block North to 2nd and Lincoln. Look for the red brick Freeman Center building with the clock tower on the side.

## When coming from the West

Take the Maple St. exit (Exit 280). Turn left on Walnut St. and then right on 3rd Avenue. Go straight and take a left on Lincoln St. In one block at 2nd Avenue and Lincoln you will see the Freeman Center building with the clock tower on the side.
